GENDER QUIZZES

At ICMAB we would like people to think about gender issues, at least during this week. In the cafeteria you will find some posters with some quizzes prepared by the Gender Committee about curious facts about women in science and gender issues. Try to answer them, it will be fun!

QUIZ ABOUT WOMEN IN HISTORY AT OUR TV SCREENS

Curiosities, interesting facts, surely things you don't know. Take a look at the TV screens at the Institute during these days and learn a little bit more of some women facts in history!
